

Testimonials

...how CNEXT GENERATE provides invaluable CEO coaching, peer networking, and frameworks to help top leaders solve their leadership and business challenges.

- “For someone in my position I’m looking for the opportunity this platform affords to be further connected to emerging corporate leaders.”
- “I’m grateful to be a part of CNEXT and appreciate the opportunity to get to know folks across industries sharing relevant examples, stories and real-time challenges with one another.”
- “It’s building momentum and helping me widen my perspective through inspiring leaders who’ve been there and done that.”
- “...a good leadership networking and reflection for senior executives.”
- “Great premise and set-up. Degree to which forum gets to authentic dialogue {is} dependent on participants and participation.”
- “Good quality people that bring diversity and great level of experience and thought that I learn from. Love the access to different topics and speakers that are really beneficial and useful. I have really gotten a lot of value from it.”

“*Right from the onboarding into the program, it was clear that GENERATE is designed with very clear, targeted outcomes around the development of a skill set for senior leaders, potential future board members, and bringing real life experiences to bear that are timely to the issues we all face in leading an organization.*”--**Paul Smith, COO of a Fortune 50 company**
